Accelerating Mission & Purpose (AMP)

Friday, March 1 to Sunday, March 3 at Laurentian

The Advisory Board met this week and have invited a team from our district to facilitate what it is called an "AMP Weekend". It's a weekend to celebrate who we are as a church, talk about where we could be more effective and to dream about what God has for us in the future. We want to invite all who call Laurentian their church home to attend and participate. We need your input. We will share more opportunities for prayer and preparation over the coming weeks as we get ready for this significant weekend in the life of our church. Steve Szydluk will be speaking more about this in our service today.

CHILDREN'S CORNER

Nursery Available

Our nursery is located downstairs (just look for the monkeys over the door :) Although nursery workers are not available, it is there for your use. There is a live video feed of the service for your convenience.

Children's Activity Pages

Clip-boards available in the foyer with colouring pages and activities to keep young minds engaged. Please help yourself or ask the usher.

PRAYER CORNER

Prayer for the Service

You are invited to use the Pastor's Study (to the left of the stage) for prayer before the service.

Prayer Requests

- Lucille Resko has passed away. Pray for her family, including sons George & John.
- Earl McCutcheon (Pastor Jason's Dad) had a doctor's appointment this week to see if his treatments for prostate cancer were effective, and the doctor said the results couldn't have been better. My dad is relieved and praising the Lord. Thank you for your prayers!
- Virginia Anderson (Fern Turcott's sister-in-law) is being treated for acute leukemia.
- Harvey (Fern Turcott's brother-in-law). Waiting to get into Sunnybrook Hospital..
- Emily (Robert Smith's daughter). Has seen some recent improvement, but continues to battle serious health issues.
- Tracey MacLeod is home and doing well. Thank you for your prayers and support. Continue to pray for Tracey.
- David Beattie, a doctor on our district, asks us to pray regarding an upcoming ruling regarding Medical Assistance in Dying. Those doctors who are conscientious objectioners may be forced to refer patients to doctors who are not. As you can imagine, this puts Christian doctors in a difficult position. Pray for Christian doctors in our country and that they would be allowed to follow their conscience.

If you have an update, or would like to add a prayer request to the Prayer Corner, please write it on a communication card or send a note to the church

"On him we have set our hope that he will continue to deliver us, as you help us by your prayers. Then many will give thanks on our behalf for the gracious favour granted us in answer to the prayers of many."
