Come Jesus Come

I was reminded in conversation today what a joy it is that our hope for the future is firm and secure in Christ no matter what, when we invite Him to be our Lord and Saviour. What peace and blessing comes from this truth! I heard this song this week by Cece Winans (Her again...I can't help it...Cece's voice is awesome and her godly character is even more awesome). It's called “Come Jesus Come”. I encourage you to read through the lyrics. The theme intermixes with the truths that Jesus will come again one day but He will come to us today! Be encouraged.

Verse 1

Sometimes I fall to my knees and pray
Come Jesus come let today be the day
Sometimes I feel like I'm gonna break
But I'm holding on to a hope that won't fade

Chorus

Come Jesus come
We've been waiting so long
For the day You return to heal every hurt
And right every wrong
We need You right now
Come and turn this around
Deep down I know this world isn't home
Come Jesus come

Verse 2

There'll be no war and there'll be no chains
When Jesus comes let today be the day
He'll come for the weak
And the strong just the same
And all will believe in the power of His name

Verse 3

One day He'll come and we'll stand face to face
Come and lay it all down 'cause it might be today
The time is right now there's no need to wait
Your past will be washed by rivers of grace
