Dear Supporter,

Blessings from our family to yours! Wow! This year marks our **10th Anniversary** of **Worship in the Bay** worship nights. What started as a simple idea by Michael Levitan & Jon Margeson to bring the greater church together in worship for one night has grown into a decade of publically declaring our love of our Lord Jesus Christ. Over the years we have seen people come to Christ, experience healing and encouragement through prayer and build relationships with fellow brothers and sisters of difference denominations. Praise the Lord!

None of this would be possible without your support!

This year's event is scheduled for **Friday September 6th at 7:00pm at the Kiwanis Band shell in North Bay**. To celebrate 10 years of this event, Jon Margeson returns as worship leader for the main band and Pastor Jason McCutcheon is organizing a choir to open the evening. Everyone is welcome to join!

We are continuing to pray over the city and for blessing over the body of Christ in our region.

I am asking upfront for your two fold support. First for **prayer**. That is key to the whole evening. The number of people who have partnered with us in prayer is unbelievably humbling.

Secondly, I would like to ask for you to prayerfully consider supporting us **financially**. Our expenses for the event run about \$3,500.00 for the day. We do pass around for a free will offering the night of the event, and that certainly helps, but we do have real costs such as rent and insurance that do not go down from year to year. We need the support of churches and individuals.

I thank you in advance for your support. We are so thankful that we live in a community that freely allows us to publically pray, and worship our Lord and Savior.

Lastly, I would like to encourage you to come out and share with us that evening. There is truly something amazing when a group of people come together to praise our Lord.

For further information, please feel free to contact Michael Levitan 705.752.5803 or anyone on the Planning Committee. Please make **cheques payable to Birmingham Sound**.

We look forward to praising with you in September!
